

WELCOME TO LE CLOS COSY !

Proud parents of a little baby, we have decided in 2015 to change life by leaving the troubled world of holiday resort and mass tourism, to fulfill our dream of "Little House on the Prairie" ...

Le Clos Cosy offers us for the first time the chance to welcome you and share with you, privileged moments, in a place that is dear to us, where you will feel at home. Step inside, put down your luggage for a night, a weekend or the time of a stay, you will discover behind our walls the authentic charm of a rural and traditional Périgord-style house.
